File No. 2501259

Doreen Curtin, Zoning Officer
New Britain Township
207 Park Avenue
Chalfont, PA 18914

Reference: 1400 Manor Drive, Concept Plan of 24 Age-Restricted Townhomes, Review 1
TMP# 26-005-049-012

Dear Doreen:

Pursuant to your request, Gilmore & Associates, Inc. has completed an informal review which focused on the Township's Zoning Ordinance and a cursory review of the Subdivision and Land Development Ordinance (SALDO). We offer the following comments for consideration by New Britain Township:

I. Submission

- A. Open Space Plan for New Britain Corporate Center Lot 2, prepared by C2C Design Group, dated April 1, 2025, consisting of one (1) sheet.
- B. Zoning Exhibit for New Britain Corporate Center Lot 2, prepared by C2C Design Group, dated April 1, 2025, consisting of one (1) sheet.
- C. Vicinity Exhibit for New Britain Corporate Center Lot 2, prepared by C2C Design Group, dated April 1, 2025, consisting of one (1) sheet.

II. General Information

The subject property is Lot 2 at the New Britain Corporate Center (NBCC). The address is 1400 Manor Drive and it is within the C-3 Commercial Zoning and the Butler Avenue Corridor Overlay Districts. The Applicant is proposing to construct twenty-four (24) age-restricted "cottage" townhouse units, Use B3/B5 Twins and Towns Mixed Community. Two-story townhomes are proposed. The units are 32-foot wide and 4,032 square feet in area. The site currently contains an existing building pad and parking facilities. Public water and sewer are available to the site and there is an existing stormwater detention basin for the existing development.

III. Review Comments

A. Zoning Ordinance

We have identified the following comments regarding the requirements and provisions of the current New Britain Township Zoning Ordinance:

1. §27-305.B5.b.3 – For every attached grouping of single-family attached (B5 Use), a minimum of two changes in the front wall plane shall be provided. Such change shall involve a minimum variation or offset of four feet. No offsets are currently shown.
2. §27-1401.c. – A B3/B5 Twins and Towns Mixed Community Use is permitted by Conditional Use in the C3 Commercial District.

www.gilmore-assoc.com

3. §27-1403.c.1. – The proposed site layout does not comply with the following dimensional requirements of the B3/B5 Twins/ Towns Mixed Community:
 - a. The minimum required site area is 20 acres. The parcel to be developed is 6.68 gross acres.
 - b. The minimum required site width is 300 feet. The parcel to be developed is approximately 100 feet wide at Manor Drive.
4. §27-1401.c.3 – If the proposed units are not placed on separate lots, the applicant must submit a by-right plan to the Township for review and approval documenting that the units in the development could be lotted out to meet the regulations of this section.
5. §27-1403.c.6 – A maximum of five dwelling units per acre of base site area is permitted. The plan notes a base site area of 4.52 acres for a maximum density of 22.6 units. The proposed 24 units exceed the permitted density.
6. §27-1403.c.7.(g) – A minimum of 50% of the provided open space shall be in the form of active recreation in accordance with §27-1403.c.11.
7. §27-2118 – Within the Butler Avenue Corridor Overlay District, where work on a residential building containing more than two dwelling units requires a zoning or building permit, such work shall conform with all the applicable requirements of the Butler Avenue Corridor Overlay District in the Subdivision and Land Development Ordinance §22-722.
8. §27-2701.c – Required yard areas shall not be included in the required open space calculation, unless otherwise permitted by the Board of Supervisors. The plan indicates 54% open space is provided where 45% is required. The calculation shall be verified.
9. §27-2901.B – The number of bedrooms for the B5 single family attached dwellings shall be specified to determine if adequate parking is provided. It appears that 2 spaces are proposed for each unit. Two (2) spaces are required for 3-bedroom units, and 3 spaces are required for 4-bedroom units.
10. §27-2902.g – Common guest parking areas shall be required at the rate of 0.3 space per dwelling unit for B3 and B5 Uses. On-street parking may not be counted towards meeting this requirement. Based on 24 units, at least 8 common guest parking spaces are required.

B. Subdivision and Land Development and Stormwater Ordinance (SALDO) Comments

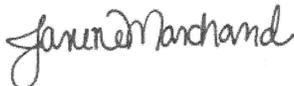

The applicant will need to satisfy all the requirements of the SALDO at the time of formal land development plan submission. Although our office has not completed a comprehensive review of the SALDO, the following comments are provided that may affect the layout as proposed:

1. §22-704 – Several proposed units conflict with existing utilities and easements located on the parcel. The location of the proposed relocated utility lines and easements should be shown on the plan to verify they comply with Township Ordinances.
2. §22-705.1 & §705.13 – The plan designates “Private Access Drives” to the proposed residential units. Access drives are permitted only for non-residential developments. All proposed residential units shall take access from a private or public street.
3. §22-705.3 – Private streets within a subdivision shall be designed to the specifications of a local street. Local streets shall have a 50-foot right-of-way and 28-foot cartway. The proposed layout appears to propose one 34-foot and two 26-foot private access drives. A minimum 50-foot Township access easement is required for private streets.
4. §22-705.4-7 – The street and intersection designs shall be in accordance with these sections.

5. §22-705.13 – Driveways shall be located at least 40 feet from street intersections, measured from the center line of the driveway to the point of intersection of the street ultimate right-of-way lines (extended). The proposed layout shall be revised to meet this setback.
6. §22-706.1.A – Curbs shall be installed along each side of every proposed street in a subdivision and/or land development. It shall be clarified that curb is proposed throughout the site.
7. §22-706.2 – Sidewalks shall be installed along each side of every proposed street in a subdivision and/or land development. It appears that additional sidewalk is required from Unit 1 to Unit 14. Sidewalks shall create an interconnected system within the subdivision and/or land development and shall also connect with any sidewalks adjacent to the tract.
8. §22-707 – Pedestrian walkways and trails shall provide access through residential developments and open space, or to connect to institutional, commercial, industrial and recreational facilities.
9. §22-713.5.B.(2) – The location of the trash collection areas shall be designated on the plan and adequate buffers provided as necessary.
10. §22-715.2.C.(2) – Park and recreation land is required at a ratio of 2,500 square feet per new dwelling unit. Based on 24 proposed dwelling units, 60,000 square feet of park and recreation land is required.

Please be advised that the Township's Zoning Officer, Fire Marshall, and Public Works Superintendent may have additional review comments upon submission of the conditional use and preliminary plan applications to New Britian Township. If you have any questions regarding the above, please contact this office.

Sincerely,

Janene Marchand, P.E.

4359 County Line Road Land Development (CP Rankin)
TMP #26-005-006

Dear Doreen:

In response to the Applicant's request for the first escrow release associated with the above-referenced project, a representative from our office observed the site improvements on February 6, 2026. We have prepared Certificate of Completion 1 in the amount of **\$292,749.90** for consideration at an upcoming public meeting.

We recommend the release of cash funds as delineated on the attached breakdown and which equal Two Hundred Ninety-Two Thousand, Seven Hundred Forty-Nine Dollars and Ninety Cents (\$292,749.90) to Brooke Enterprises, LLC. This leaves \$167,948.69 remaining in the total escrow fund. The escrowed site improvements are approximately 70% completed.

If you have any questions regarding the above, please contact this office.

Sincerely,

Janene Marchand, P.E.

**NEW BRITAIN TOWNSHIP
BUCKS COUNTY, PENNSYLVANIA**

ORDINANCE NO. 2026-01

**AN ORDINANCE OF NEW BRITAIN TOWNSHIP, COUNTY OF BUCKS,
PENNSYLVANIA TO VACATE A PORTION OF CHAPMAN ROAD THUS AMENDING
APPENDIX H-101 OF THE NEW BRITAIN TOWNSHIP CODE OF ORDINANCES;
PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE**

WHEREAS, the County of Bucks (“County”) recently purchased the property located at 226 Chapman Road and believes it is beneficial to the County and the Township if the 634 feet of Chapman Road (“634 Feet Portion”) that is adjacent to the County-owned property at 226 Chapman Road be vacated by the Township; and

WHEREAS, the Board of Supervisors of New Britain Township has examined the 634 Feet Portion, located within New Britain Township, and desires to vacate it; and

WHEREAS, this certain portion of Chapman Road, 634 feet south of the New Galena Road intersection, has the County as the property owner on both sides. Furthermore, the 226 Chapman Road parcel is deed restricted and may only be used for recreational purposes by the County; and

WHEREAS, since the County owns the parcels on both sides of the proposed vacation of Chapman Road, there are no adjacent property owners; and

WHEREAS, pursuant to the provisions of The Second Class Township Code, 53 P.S. § 67305, notice was provided in a public newspaper of the time and place of a scheduled hearing regarding the proposed vacation of a portion of said roadways; and

WHEREAS, a vacation of the said roadway is permitted and authorized pursuant to the provisions of The Second Class Township Code, 53 P.S. § 67304.

NOW, THEREFORE, BE IT ENACTED AND ORDAINED by the Board of Supervisors of New Britain Township, Bucks County, Pennsylvania, and it is hereby enacted and ordained by the authority of same as follows:

1. The above recitals shall form a part of this Ordinance as though the same were set forth herein at length.
2. That portion of Chapman Road in New Britain Township, specifically the 634 feet located south of the New Galena Road and Chapman Road intersection, as further identified in Exhibit A, is vacated in accordance with the provisions of The Second Class Township Code, 53 P.S. §§

67304 and 67305. As a result, Chapman Road from the intersection of New Galena Road to approximately 1,600 feet north of the intersection with Ferry Road is entirely vacated.

3. A copy of this Ordinance shall be filed with the Office of the Clerk of Courts, Bucks County, Pennsylvania.

4. This Ordinance shall become effective immediately after enactment, as provided by law.

5. It is declared that the enactment of this Ordinance is necessary for the protection, benefit, and preservation of the health, safety, and welfare of the citizens of the Township.

6. All Ordinances or parts of Ordinances inconsistent herewith shall be and the same are expressly repealed.

7. In the event that any provision, section, clause, or part of a section or any clause or part of this Ordinance shall be held to be invalid, such invalidity shall not affect or impair any remaining provisions, sections, clauses, or part of a section or any clause, it being the intent of this Township that such remainder shall remain in full force and effect.

ORDAINED AND ENACTED by the Board of Supervisors for New Britain Township, Bucks County, Pennsylvania, this 2 day of February , 2026.

ORDINANCE NO. 2026- 02

**AN ORDINANCE OF THE BOARD OF SUPERVISORS OF THE
TOWNSHIP OF NEW BRITAIN ESTABLISHING A 4-WAY STOP
INTERSECTION AT THE INTERSECTION OF NEW GALENA
ROAD AND SELLERSVILLE ROAD, NEW BRITAIN
TOWNSHIP, BUCKS COUNTY, PENNSYLVANIA**

WHEREAS, on November 29, 2024, Mark M. Hood, P.E. of the Pennsylvania Local Technical Assistance Program issued a report finding that a 4- stop intersection is proper for the intersection located at New Galena Road and Sellersville Road in New Britain Township, Bucks County, PA;

WHEREAS, there currently exists stop signs at this intersection on Sellersville Road travelling both in the northwest and southeast directions; and

WHEREAS, New Galena Road is a State Road and the Pennsylvania Department of Transportation concurs with the November 29, 2024 Report of Mark M. Hood, P.E. and will also designate the intersection of New Galena Road and Sellersville Road as a 4-way stop intersection;

NOW, THEREFORE, BE IT ORDAINED AND ENACTED by the Board of Supervisors for the Township of New Britain:

1. Location of 4-way Stop.

The intersection of the New Britain Township Roads, New Galena Road and Sellersville Road, is established as a 4-way stop intersection, and official stop signs shall be erected in such positions as to face all traffic approaching this intersection.

2. Stopping Distance.

All vehicles approaching the intersection shall come to a full stop within a reasonable distance, before entering such intersection.

3. Stop Intersections Established.

Section 15-209 of the Code of the Township of New Britain shall be amended so that the intersection of Sellersville Road and New Galena Road is a “4-way” stop.

4. Penalty for Violations.

Any operator of a vehicle or tractor who shall fail to come to a full stop, within a reasonable distance, before entering any stop intersection, as hereinabove required, shall upon conviction thereof, be sentenced to pay a fine as provided pursuant to the Pennsylvania Vehicle Code (Title 75).

ENACTED AND ORDAINED by the Board of Supervisors of New Britain Township, Bucks County, Pennsylvania, this 2 day of February , 2026.

MEMO

TOWNSHIP OF NEW BRITAIN

TO: Board of Supervisors
FROM: Dan Fox, Township Manager
DATE: February 19, 2026
SUBJECT: Township File Digitization Project

Township Staff initially met with representatives from Higher Information Group, BerkOne, and ScanTek to discuss our digitization needs and overall project scope. Each vendor was provided with an overview of the Township's records, the estimated volume of materials to be digitized, and the need for secure handling and efficient indexing. The discussions covered workflow processes, technology platforms, security protocols, implementation timelines, and cost structures.

Following those initial meetings, staff conducted follow-up interviews with BerkOne and ScanTek to further evaluate their services. These discussions allowed us to explore their technical capabilities in greater detail, review their project management approach, and clarify pricing.

After reviewing the proposals and the information gathered during the follow-up interviews, ScanTek was selected as the Township's vendor of choice. Neighboring municipalities have successfully used ScanTek's services, and their pricing was competitive and clearly structured. In addition, ScanTek offers software, called Laserfiche, that will integrate directly with TRAIRS, connecting systems already in place, creating ease of use across multiple departments.

Based on overall value, strong local references, competitive pricing, and the added benefit of system compatibility, ScanTek is recommended as the Township's digitization vendor.

Chalfont, PA 18914

Thank you for the opportunity to provide you with this proposal. With almost 5 decades of experience, Scantek can offer the most efficient and affordable solutions available. Our secure processing facility maintains the latest in imaging technology and experienced staffing to manage all your file conversion needs.

The following proposal reflects our estimate for digitizing your Property Files based on our recent review of your records. It is comprehensive in that it includes all components of the project: including boxing and pick-up of records for transport to our secure facility, scanning, indexing per specific record type, and formatting the images and metadata for uploading to a hard drive or any other system of your choice. We also included in pricing for loose re-assembly of the files in the Optional Items table.

We highly recommend utilizing our Laserfiche cloud document management software, and we have included optional pricing for a three-user system for your reference. If you are interested, we can schedule a virtual meeting to demonstrate the basic features and functionality of the software.

Please note that we base our billing on actual images processed, and we have developed our proposal using our 2026 COSTARS contract pricing, which offers exceptional value for our services.

Scantek looks forward to further exploring this opportunity and providing our services and solutions to New Britain Township.

Sincerely,

Anthony Hornicek

Total Volume Estimates

NOTES - To maintain uniform metrics for volume calculation, we convert all containers to standard 1.2 cubic foot boxes. (For example: 2.4 cubic foot "Transfile" boxes are counted as two (2) standard size boxes; vertical file cabinet drawers are counted as 2-3 standard size boxes; lateral file drawers are counted as 3-6 boxes depending on size.) "Images" refers to any document up to and including 11 x 17; "Large Format" is any document exceeding 11 x 17.

Property Files – 296 Boxes (Box Up)

- 2,200 images per box = 651,200 images
- 10 large format per box = 2,960 large format (folded & co-mingled)
- 25 records per box = 7,400 records

NOTE: The above volume estimates are based on our assessment of your records. You are only invoiced for the actual images processed. If variances in scope are discovered upon receipt and review of records, additional charges may apply, and these would be addressed with customer prior to proceeding.

FILE RETRIEVALS

During Document Conversion, Scantek will provide file retrievals to client while the records are in our possession within 24 hours of the request by way of fax, email or SFTP to authorized contact. Cost: 5 free retrievals per week, each additional is \$2 per file and \$.25 per page

STORAGE SERVICES

Scantek will store your paper files for 60 days at no charge after delivery of images. After 60 days, you can have your paper files delivered back to your organization or storage facility. A fee of \$1.00 per box, per month will automatically be charged for storage starting on day 61 if customer cannot give information for delivery or shredding. Scantek will work closely with your facility regarding storage after the 60-day period.

PROJECT MANAGEMENT

Project Management includes: Review contents of boxes to verify they match the job requirements. Review job requirements with the client, such as Indexing, Final Format, Delivery, Retrievals. Develop Job Spec outlining each department's responsibility and the Business Rules regarding the Projects specific Scope of Work (SOW), as well as developing a comprehensive production schedule. Monitor all stages of production to keep to an agreed upon SLA. Communication with client throughout the project pertaining to anomalies, questions, updates, etc. by conference call, email and reports when necessary. Final Review of product to ensure accuracy prior to delivery.

SCANTEK SPECIAL/UNIQUE QUALIFICATIONS

A compelling value-proposition that separates Scantek from other providers is that we provide a proprietary 7-step workflow process which is unique to our industry. The technology and production services that we offer include quality control check points through every step of the process for all our customers.

We will provide a designated project manager who will be assigned to New Britain Township, who fully understands your requirements. Implementing a successful plan to meet your specifications and turnaround time needs is of critical importance with every one of our clients. Our team will also assist your organization in a consultative capacity to recommend solutions and ideas that will ensure project success and find additional efficiencies.

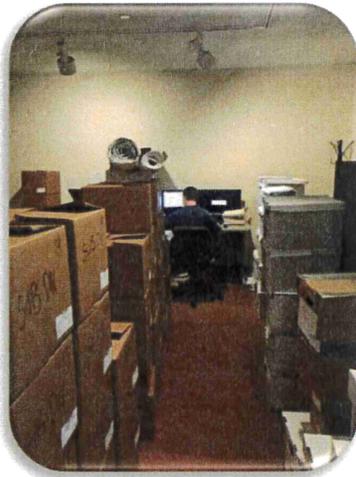

Another key consideration is our experience with large conversion projects. Scantek, including its principals and management team members, have been in the Document Management Industry for over 40 years. Our track record of successfully managing large back-file conversions for townships, municipalities, counties, municipal authorities, F500 companies, unions and utilities make us uniquely qualified to complete your scanning project. In fact, many of our national competitors in select cases have actually contracted with Scantek when their clients had complex requirements that fell outside of their capabilities.

Finally, having been in business and evolving for over four decades, we maintain the staffing and infrastructure to perform at the highest levels of productivity, thus ensuring extremely competitive pricing while delivering unsurpassed quality to our customers. We employ a wide variety of scanning hardware and software, which allows us to match the specific project to the appropriate application. Our inventory of production equipment includes:

RE: Municipal Complex Feasibility Study: Amendment #1

Dear Dan,

This Amendment supplements our original agreement authorized in February 2023. The initial proposal included \$32,500 in services, which has since been fully expended through two iterations of the project. The full scope was not completed due to additional revisions and updates requested to align with the new Board's goals.

Our most recent meeting was in July 2025, during which we finalized updated concept plans focused on the renovation and expansion of the existing Municipal Building. Cost estimates were revised accordingly. These plans will serve as the baseline for the next project phase.

PROJECT DESCRIPTION: FULFILL THE DELIVERABLES

The scope of work included in this amendment includes the following:

- (1) in-person meeting to review the July 2025 plan concepts with the building committee.
- Minor updates to those plans to align the program with current conditions
- Creation of exterior renderings to show the extent and nature of the proposed renovations and additions to the building. These will be set full all sides of the building impacted by the proposed construction
- Update of the Cost Estimate to align with the current project schedule and scope
- (1) in-person meeting to present the renderings and cost estimate
- (1) set of revisions to address committee comments
- (1) In-person presentation to the public and Board of Supervisors

EXCLUSIONS	This Amendment is limited to the scope described above. No additional services are included.
FEES	\$11,500.00
RETAINER / PAYMENT TERMS	KA will bill against the fee as work is completed.
SCHEDULE	Upon receipt of an executed proposal, the kick-off meeting will be scheduled within two weeks.

Respectfully submitted,

Approved and agreed to by:

Exclusions & Assumptions:

The proposed fees do not include: property surveys, civil engineering, building surveys, geotechnical studies, utility location, FF&E selection, additional meetings, or any services not specifically identified in this proposal. We assume that existing building and site drawings are available and reasonably accurate. If not, we can prepare CAD-format As-Built base plans for an additional fee. Up to three in-person meetings are included across all phases of the MasterConcept Plan™. Virtual meetings are unlimited. Hard copies of documents will be billed as reimbursable expenses.

Billing and Reimbursable Expenses:

Reimbursable expenses such as printing, copying, digital file conversion, photography, travel, meals, lodging, presentation materials, and courier services will be billed at cost plus 10%. We will bill monthly based on the percentage of work completed, including reimbursables. A 1% technology fee will be added to the total fee.

RESOLUTION NO. 2026-04

A RESOLUTION NEW BRITAIN TOWNSHIP, BUCKS COUNTY, PENNSYLVANIA, APPROVING AND AUTHORIZING EXECUTION OF THE “MEMORANDUM OF AGREEMENT FOR A NESHAMINY CONSORTIUM” AND PARTICIPATION THEREIN

WHEREAS, the governing body of New Britain Township recognizes that municipalities situated within the Neshaminy Creek Watershed share common responsibilities for improving watershed health and meeting Municipal Separate Storm Sewer System (MS4) public education and outreach requirements; and

WHEREAS, the proposed **Memorandum of Agreement for a Neshaminy Consortium** (the “Agreement”) establishes a **voluntary, non-regulatory partnership** among municipalities within the watershed and supporting organizations for collaborative watershed management, public education, and grant coordination efforts, and expressly **does not create a new legal entity or binding financial obligation beyond the commitments described** in the Agreement; and

WHEREAS, the scope of activities to be undertaken through the Agreement includes **facilitated collaboration, grant support, public education and outreach, and public involvement and participation**, which directly support MS4 compliance obligations; and

WHEREAS, the Agreement establishes that the **term of participation** shall be four years beginning April 1, 2026, and ending March 31, 2030, unless terminated earlier or renewed by mutual written consent; and

WHEREAS, Member municipalities agree to **appoint a representative**, participate in meetings, share project materials, and contribute the **annual dues** identified in the Agreement to support shared operations and outreach activities; and

WHEREAS, participation in the Consortium advances local and regional watershed stewardship goals, enhances access to grant opportunities, and promotes efficiency through shared resources; and

WHEREAS, the governing body finds that membership in the Neshaminy Consortium is in the best interest of the Township and its residents.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors/Council of New Britain Township, Bucks County, Pennsylvania, as follows:

1. **Approval of Agreement**

The Township hereby approves and adopts the **Memorandum of Agreement for a Neshaminy Consortium** substantially in the form presented to this body.

2. **Authorization to Execute**

The Township Chairperson/President and Township Manager/Secretary are authorized to **execute the Agreement** and any documents necessary to effectuate participation.

3. **Designation of Representative**

The Township designates _____ to serve as its primary representative to the Consortium Steering Committee.

4. **Payment of Annual Dues**

The Township authorizes the payment of the annual contribution specified in the Agreement to support Consortium activities.

5. **Cooperative Intent**

Nothing in this Resolution shall be construed as limiting municipal sovereignty, creating joint liability, or transferring regulatory responsibility, consistent with the Agreement’s stated conditions.

6. **Effective Date**

This Resolution shall take effect immediately upon adoption.

RESOLVED AND ADOPTED this _____ day of _____, 2026, by the Board of Supervisors/Council of the New Britain Township, Bucks County, Pennsylvania.

**FIRST AMENDMENT TO LEASE AGREEMENT
BY AND BETWEEN THE TOWNSHIP OF NEW BRITAIN
AND THE CHALFONT FIRE COMPANY**

This First Amendment to the Lease Agreement (this “**First Amendment**”) is made this the ____ day of February, 2026 by and between the Township of New Britain, with a business address of 207 Park Avenue, Chalfont, PA 18914 (the “**Township**”), and Chalfont Fire Company, with a business address of 301 N. Main Street, Chalfont, PA 18914 (the “**Fire Company**”).

WHEREAS, the Township and the Fire Company entered into a lease agreement on October 24, 1983, for the Township property located at 1034 Schoolhouse Road and identified as Tax Map Parcel No. 26-007-393 (the “**Original Lease Agreement**”, and together with this First Amendment, the “**Lease Agreement**”);

WHEREAS, the purpose of the Original Lease Agreement was to enable the Fire Company to construct a fire station on the property; and

WHEREAS, the Fire Company has informed the Township that it needs to update the fire station on the property to properly serve the residents of the Township and the surrounding communities; and

WHEREAS, the parties desire to facilitate this new fire station on the property and desire to extend the term of the Original Lease Agreement; and

WHEREAS, any terms used but not defined herein shall have the respective meanings given to them in the Original Lease Agreement.

NOW, THEREFORE, the Original Lease Agreement is amended as follows:

1. Term. The Lease Agreement shall continue in full force and effect through December 31, 2125.

2. Renewal Periods. The Lease Agreement shall be automatically renewed for ten (10) year additional terms unless either party provides written notice of termination at least ninety (90) days prior to the expiration of the then current term.

3. Cessation of Volunteer Fire Company Activity. In the event the property is no longer being used by an active volunteer fire company for the purposes of providing fire rescue and emergency services, this Lease Agreement shall terminate automatically without any action required by the Township, its officials, governing body or staff.

4. Assignability. The Fire Company shall not assign this Lease Agreement without the prior written consent of the Township. In the event the Fire Company is merged into or consolidated with another fire/emergency services company (the “**Surviving Company**”), the Fire Company must obtain the prior written consent of the Township for the Surviving Company to occupy the Premises.

5. Continuation of Prior Provisions. All provisions contained in the Original Lease Agreement not modified herein shall remain in full force and effect. In the event of a conflict between any term or provision contained in this First Amendment and a term or provision of the Original Lease Agreement, the applicable terms and provisions of this First Amendment will govern and prevail.

Signature Page Follows.

IN WITNESS WHEREOF, the parties have caused this First Amendment to be duly executed and delivered by their proper and duly authorized officers of the day and year first written above.

BUCKS COUNTY BOARD OF	:	
ASSESSMENT APPEALS	:	PARCEL NO. 26-012-046

STIPULATION TO SETTLE

WHEREAS, this matter involves a parcel of land located at 52 Chapman Road, Doylestown, New Britain Township, Bucks County, Pennsylvania and further identified as Parcel No. 26-012-046 (the "Property");

WHEREAS, Alexander Sharpan and Tatyana Sharpan (collectively, "Taxpayer") own the Property and owned the Property at the time of the Appeal (as defined below) and during the tax years at issue; and

WHEREAS, following a 2024 annual assessment appeal filed by the Taxpayer to the Bucks County Board of Assessment Appeals (the "Board"), the Board entered its decision wherein the Property's assessment was not changed; and

WHEREAS, the Taxpayer filed an appeal (the "Appeal") to the Bucks County Court of Common Pleas (the "Court") at docket number 2024-07782 seeking a decrease in assessment; and

WHEREAS, based upon the risks and hazards of litigation, the parties have decided it is in their best interests to settle the above-captioned matter based upon the terms and conditions outlined in this Stipulation to Settle.

NOW THEREFORE, the undersigned, intending to be legally bound and to bind their respective clients, agree to the following settlement:

1. Effective January 1, 2025, for the 2025 municipal/county tax year and effective July 1, 2025, for the 2025 school tax year, the taxable assessment on the Property shall be **decreased** from \$645,950.00 to \$346,500.00.
2. Effective January 1, 2026, for the 2026 municipal/county tax year and effective July 1, 2026, for the 2026 school tax year, the taxable assessment on the Property shall be **decreased** from \$645,950.00 to \$322,300.00.
3. The Property's assessment shall remain at \$322,300.00 for each subsequent tax year until there is another subsequent successful assessment appeal or a change by the Board as permitted by applicable law.
4. Bucks County, New Britain Township, and the Central Bucks School District are collectively known as and referred to herein as the "Taxing Authorities", and each a "Taxing Authority".
5. As a result of the decrease in assessment, there has been an overpayment in taxes to Bucks County, New Britain Township, and the Central Bucks School District for tax year 2025. Upon approval of the Stipulation to Settle by the Court, the tax collectors and/or business managers for the Taxing Authorities shall review to confirm previous payments and, if applicable, shall refund to the Taxpayers, without interest, the above-referenced overpayments, if any.
6. If the Taxpayer paid its taxes during the discount period, then two percent, as applicable, shall be deducted from the amount of overpayment of taxes during the discount period.
7. Taxpayer authorizes that all refund checks, as applicable, shall be made payable to and sent by first class U.S. mail to the following:

Alexander Sharpan
52 Chapman Road
Doylestown, PA 18901

8. Any tax bills will be verified by the tax collector and/or treasurers of each Taxing Authority and their determinations are final.
9. This Stipulation contains the statement of each and every term and provision agreed to by all parties. No other promises, representations or other inducements, oral or written, have been made to any of the other parties in exchange for this Stipulation.
10. The attorneys entering into this Stipulation represent that they and their clients have full authority to enter into this Stipulation and they have been authorized by their clients to enter into this Stipulation.

11. This Stipulation may be executed in one or more counterparts and by facsimile or electronic mail, each of which shall be deemed an original and all of which when taken together shall constitute a single agreement.
12. Each party shall bear its own costs as incurred.
13. This Stipulation shall be binding upon, and inures to the benefit of the undersigned, their clients, successors, grantees, heirs and assigns.
14. The parties hereto request that this Court enter the foregoing Order attached hereto proving and confirming this Stipulation to Settle.

Executive Summary

Situation Analysis

Based on discussions with the Township of New Britain, it is our understanding that the Township would like to make it easier for business and property owners, planners, developers, and constituents to access and use the Township's Zoning Ordinance. *MapLink* makes it simple for users to find specific property information by presenting Zoning regulations from eCode360® in an interactive map* powered by *ZoningHub*. *MapLink* users can click on a map to view details about permitted uses and answer questions such as, "Where can I open my business?" and "What can I do with my property?"

Our Solution

Our *MapLink* solution for New Britain includes:

- > **An Interactive Zoning Map**
Using the Township's existing GIS shapefiles, we will create an interactive Zoning Map that business and property owners can easily search to find essential Zoning information, such as dimensional requirements, allowable uses, and zoning districts.
- > **Clickable links to your full Zoning Ordinance as published in eCode360**
Wherever possible, we will embed links into your *MapLink* site that drive users from condensed descriptions to your full Code as published in eCode360. Additionally, based on the Township's preferences, we will prepare links within the Township's Code in eCode360 to your *MapLink* site, allowing eCode360 users to quickly navigate to your interactive Zoning Map.
- > **Seamless updates with your Code****
As supplements are completed and updates are made to the Township's Zoning and posted on eCode360, your Code data is seamlessly updated in your *MapLink* site, ensuring that users are always working with the most accurate requirements.

*It is important to note that *MapLink* is not a replacement for your Zoning Ordinance; instead it is an additional interactive tool that will save time and answer Zoning questions.

**The adoption of an entirely new Zoning Ordinance shall result in additional setup charges not included in standard supplementation pricing. Prior to adopting a new Zoning Ordinance, contact General Code® for a detailed estimate.

Solution Benefits

With *MapLink*, it is easier than ever for users to find the information they need to keep their projects moving forward. Users can click the map to quickly zoom into an individual parcel and examine Zoning requirements in greater detail, or search for properties in your municipality based on intended land use. By making it easier for users to find the information they need for their development projects, they are more likely to successfully navigate the development process and be more satisfied with their local government experience.

Who Benefits?

1. **Business Owners**—Current and prospective business owners will be able to find the zoning information they need to open and grow their businesses.
2. **Constituents**—Citizens will be able to find and use laws in a comprehensive, up-to-date, and understandable format.
3. **Staff**—All staff members will be able to gather the information they need to answer questions from citizens, architects, real estate agents, business owners and other municipal officials.
4. **Planners/Developers**—Your *MapLink* site will provide a clear view of existing regulations and make it easier to determine the impact of proposed changes and amendments on development and growth initiatives.

New Britain's Investment

The price of *General Code*'s recommended solution will be \$10,740.

A detailed breakdown of the investment and available options can be found in the Investment Details and Special Considerations section on page 7.

Scope of Services

The services described below outline the scope of work that will be performed as part of this project, including roles and responsibilities for both the Township and *General Code*. Because your *MapLink* project is custom and collaborative in nature, there may be some variability in the execution of individual tasks. However, the results of each task will be as described.

Review Files

Before the project begins, the Township will supply the set of online files needed to build the interactive Zoning Map, as described in the table below. The files must be configured consistent with industry standards, such as:

1. A REST connection link for each map layer
2. A map service or feature service
3. Shapefiles or a geodatabase

Initial Build	Description
Required	Municipal boundary
Required	Parcel Map with the following associated data: Unique Parcel ID Number, Parcel Addresses, Parcel Acreage (optional), and Property Owner Name (optional).
Required	Base Zoning Districts (with Abbreviation)
Optional	Overlay districts, if any
Optional	Other relevant maps, if any (e.g., Tax Increment Districts, Business Improvement Districts, Economic Development Zones)

Please consult your GIS/ Engineering firm or Tech Department for the above files. If the Township needs support in creating or formatting files, *General Code* may be able to provide technical assistance. All files will be reviewed and approved by *General Code* before the project launch may be authorized. If upon review it is determined that the Township does not have the requisite mapping resources, the Township will be referred to our GIS services partners.* The Township is responsible for all costs associated with acquiring and maintaining the required GIS files; any fees billed by a third party for access to required GIS files are not included in the project price.

*PLEASE NOTE: Third-party GIS Providers will invoice the Township directly for any work that is required (in addition to *General Code*'s Initial Build and Maintenance charges). The Township may use their vendor of choice for this work but will be strongly encouraged to use a *General Code* endorsed partner.

Site Initiation

Upon launch authorization, *General Code* will initialize the Township's new *MapLink* site, using the custom web address selected for the Township. Once the site is initialized, *General Code* will begin the initial build process.

Initial Build

Task 1: Site Configuration

General Code will complete the initial build of the Township's new *MapLink* site as described in the table below. Both the included pages and the optional pages will be configured as part of the initial build.

ZoningHub Page	Initial Build	Description
Home	Included	Obtain and post a custom background image
Zoning Map	Included*	Link / upload map elements to create the interactive Zoning Map
General Definitions	Included	Add content derived from the Zoning. Images can be added to selected definitions at no additional cost
Land Uses	Included	Add content derived from the Zoning. Images can be added to selected land uses at no additional cost
Dimensional Standards	Included	Add content derived from the Zoning
Zoning Districts	Included	Add content derived from the Zoning
General Requirements	Optional	Add content derived from the Zoning and other sections of the municipal Code that relate to land use and development
Procedures	Optional	Add content derived from the zoning and through consultation with the Township
Signs	Optional	Add content derived from the Zoning
FAQ	Optional	Add content provided by the Township

*See the Review Files section above.

Task 2: Implementation Strategy

General Code will work with the Township to determine which optional pages will be implemented as part of the initial build. Based on your preferences, *General Code* will prepare recommendations for adding any remaining optional pages in the future.

Task 3: Code Integration

Using the Township's Zoning Ordinance that is in effect as of the project start date, *General Code* will extract the essential elements from your Zoning Ordinance and display them in context in the *MapLink* interactive Zoning Map.

During this process, the Township may be asked to provide input and clarification on any elements that require interpretation. Successful and timely completion of this task will be contingent on the Township providing the requested information in a timely manner.

Task 4: Signoff

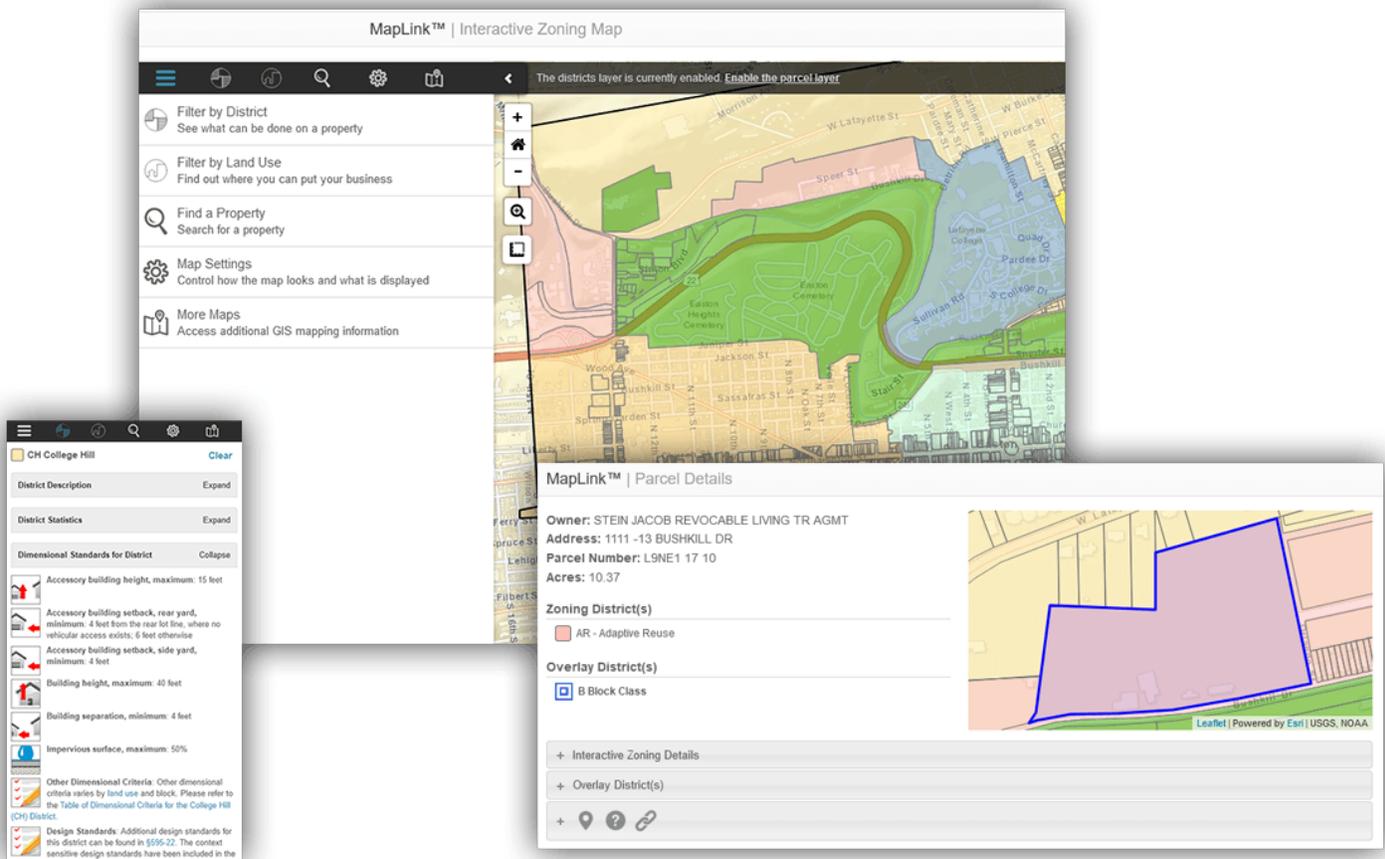

Upon completion of the Code Integration, *General Code* will “Soft Launch” the site and submit instructions to the Township’s designated contact person to review and sign off on the initial build.

Task 5: Site Launch and Support

Along with the launch, *General Code* will provide basic training to Township staff on how to use the site. Additional training can be made available as needed.

Because *MapLink* is a standalone site, the Township will want to add a link on the municipal website to its *MapLink* site, so that your community can find and use your interactive Zoning Map. Additionally, we will provide a press release template that the Township can customize and distribute to local media outlets to inform residents and business owners about *MapLink*.

Lastly, *General Code* will prepare links to the new *MapLink* site within the Township’s online Code in *eCode360*, as desired by the Township and described above.

Investment Details and Special Considerations

Project Build Price **\$7,995**

MapLink includes the following:

- > *MapLink Project Launch*
 - *Setup Fee* **\$250**
- > Site Initiation
- > Custom Web Address
- > Interactive Zoning Map
- > Linking / Uploading Map Elements and Zoning (see detailed description on page 5, “Task 1: Site Configuration”)
- > Code Integration

MapLink Annual Hosting Services **\$2,495**

Per-year price (3 year term)

The hosting fee is an annual recurring flat fee, commencing at the completion of the code integration. The fee covers annual licensing, web hosting, data storage, and updates to *code content and maps (as supplied)* as the Zoning Ordinance is supplemented.* This fee does not include the cost for codifying new legislation, the hosting fees for your *eCode360* site. The annual recurring fee shall be invoiced on the anniversary of the start of service and is subject to an increase at the beginning of a new term.

*Please note: The adoption of an entirely new Zoning Ordinance shall result in additional charges not included in standard supplementation pricing. Prior to adopting a new Zoning Ordinance, contact *General Code* for a detailed estimate.

Total Investment **\$10,740**

Special Considerations to be Addressed.

- > The Township of New Britain is to provide the set of prerequisite files outlined in the Review Files section. (See Review Files on page 4 for more detail.)
- > In order to properly initiate and maintain the Township of New Britain's *MapLink* solution, the Township must have and maintain an *eCode360* subscription with *General Code*.
- > Pricing includes up to 3 hours for collection of maps and files. Any additional hours accrued shall be billable at \$125 per hour, to be invoiced at final payment.
- > Pricing includes 3 hours of meeting time with the Township and other follow-ups and reviews as needed, and additional feedback and collection of necessary information. Any additional hours accrued shall be billable at \$125 per hour, to be invoiced at final payment.
- > Any requests to add maps, features, functionality outside of the SOW beyond "normal and customary" as described on page 5, "Task 1: Site Configuration," shall be billable at \$125 per hour, to be invoiced at final payment. An estimate shall be provided prior to the start of such work upon request.

Payment and Performance Schedule

Milestone	Performance Target	Payment

Parks & Recreation

DEPARTMENTAL REPORT

YEAR: 2026

MONTH: January

Township Property Maintenance:

The Parks and Recreation Department performed inspections of North Branch, West Branch, Highlands, Veteran's, and Pheasant Run Parks for trash removal and mutt mitt dispenser refills, along with checks of the undeveloped area behind New Britain Walk, along with inspections of the Greenway Trail behind the Coleman property, when accessible.

The PnR department has completed the removal of the damaged portion of the chain link fence that runs along the property line between the upper soccer field #2 at North Branch Park and the Bridgewater Ct development located in Chalfont Borough. The area was then cleared and cleaned up. Pictures are included below.

Note: Some vegetation was left in place upon resident request to maintain a barrier.

New Britain Township

Parks & Recreation

The Parks and Recreation Department repaired damage to the open area at Veterans Park that is located between the parking lot and the playground. The area was damaged by a motor vehicle during or immediately after one of the December snowstorms. PnR was able to fill in the ruts with some fill dirt and roll out the shallow wheel tracks. The repaired area will be seeded during the Spring. Pictures below will illustrate the damaged area, and repair results.
